### CHURCH FAMILY BUDGET

Eight years ago we began the process of replacing the heating and air conditioning units, some of which were 40 years old, and none less than 20. First was the Sanctuary, then 13 furnaces followed by 17 HVAC units on the roofs. The cost was approximately \$300,000, paid for because of your faithful contributions to the Church Family Budget and our Refurbishing Fund. Thank you.

(Undesignated checks and loose offerings will be credited to the Church Family Budget)
