

Tetanus Waiver

Maranatha Volunteers International feels it's important to have a current tetanus vaccination before volunteering. To emphasize that importance, we ask you to read and sign the following waiver:

_____ I understand that because I volunteer around a construction site, it is important to discuss being vaccinated against tetanus with my physician.

_____ I release the Maranatha Volunteers International from all responsibility that may occur because of my not pursuing this matter further, and I understand whatever decision I make is at my own risk.

I have read, understood and agree to the above points and the tetanus waiver.
